August 25, 2024

Hello families, students, and staff

This message is being sent out to you to inform you that due to a severe water shortage in our community, our school will be closed Monday, August 26th. We will resume normal school hours on August 27th unless our city contacts us again and expresses further concerns for our normal school operation.

Thank you so much for your understanding and cooperation with this emergency school closure.

Jose Melendez, Superintendent of Education
