Statewide School Closure for Students in Oregon
Monday, March 16 through Tuesday, March 31

Dayville Schools will be closed from March 16 through March 31st

At this time, we believe we will re-open on April 1st.

During this time, all classes including Pre School and daycare, events, and activities are canceled.

We will have no community access to buildings unless and until another emergency may so necessitate.

Local and State updates will be posted to the school website.
