**Superintendent's Message**

As the flowers are blooming and the fruit trees flowering, so are our celebrations! We just came out of Teacher Appreciation Week – a huge shout-out to our staff! They are amazing, dedicated individuals committed to each and every one of our students. Please tell them thank you when you next see them. It is also a time to celebrate with our students and families. Pre-school students will be promoted to kindergarten, kindergarten students will be graduating to First Grade, Eighth Grade students will be entering high school, and Seniors will be graduating and leaving us.

I also want to celebrate and call out three very special adults in our senior class. Zach, Jaydon, and Illyssa have committed to the serve this Great Nation. Please join me in congratulating and thanking these brave young folks.
