SUPERINTENDENT'S MESSAGE

We are at the end of our fourth week of school. What a fantastic week we have had! On Monday we found out that Mrs. Sydney Thompson is the 2022-23 Regional Teacher of the Year. We had an exciting assembly to honor Mrs. Thompson. We’ll continue to celebrate our good fortune in having our teacher of the year as a teacher, parent, coach, community member, and friend. We are bursting with pride, Mrs. Thompson!

Our football and volleyball teams continue their practices every day after school. Our positive team spirit and good sportsmanship are evident in every game we play. Please join us in Harper on 9/16 at 3 pm for our next high school football game and at 1 pm for our next high school volleyball game. We look forward to having you join us in Fossil on 9/22 at 3 pm when our middle school students are playing their next games. We are grateful to Mr. Carlin, Mr. Thompson, Mrs. Clark, and Mrs. Thompson for coaching our football and volleyball teams.

Please catch our monthly broadcast on Station KTDY. We’ll be sharing our school and community news with our Grant County listeners tomorrow morning (9/16) at 8:35 a.m.

Our parents, students, families, and community members continue to be full partners in our educational process. Thank you for helping each of our students grow to his/her fullest potential. Please visit with me anytime. I appreciate sharing ideas as we continue to maintain a happy work, school, and life balance.
