

**DAYVILLE
SCHOOL
DISTRICT 16J**

January, 2024

Dear Dayville School District Families and Community,

It is my pleasure to welcome you back to school as we begin the 2024 year together. How fortunate I am to be the educational leader of such a special place! We care about our children, and we make a positive difference in the lives of our students every day. The Dayville School District achieves academic excellence, and the opportunities offered beyond the classroom setting are exemplary. We provide enriching learning experiences for students at all levels.

As an educator, I wholeheartedly value the programs and services in place, and I am committed to building upon past practices to ensure that current and future students have opportunities to explore their interests and find their true passions.

In addition to the strong educational program, the level of community involvement is impressive. The sense of pride in our school is evident as I am experiencing it firsthand. Our faculty members, staff, parents, students and residents are extremely welcoming and supportive. Our genuine, meaningful and heart-felt communication is the key to ensuring the continued success of our students, school, and community.

Please know that I am available to everyone and maintain an open-door communication policy. I encourage and welcome any questions, suggestions, comments, or concerns you have. Feel free to stop by and visit or call me at school any time, and I can also be reached directly at 401-497- 4944.

My best wishes for a happy and healthy 2024!

Respectfully,

Dr. Davida Irving

Superintendent/Principal
