

Dayville School Counselor Memo

Sept. 2, 2021

Dear Students and Parent/Guardian,

School has started again!!! I am excited to be back for another year working with the students at Dayville. COVID has decided to revisit us and is still ruling how we do school. I am available for student and families that are struggling with all that comes with COVID, including daily challenges, emotional issues and / or a person just to talk to about life in general. I will be working in the elementary classrooms as well as seeing youth individually with parent/guardians' permission.

I am available at the school number, 541-987-2412. Please feel free to contact me with any concerns. I am scheduled to be at Dayville School every Thursday to offer support and develop skills to reduce everyone's stressors.

Sincerely, Sarah Welton

School Counselor
