Superintendent's Message

Happy 2023!

I would like to take this opportunity to thank you for your continued support. Dayville School is truly a community school, and it is at this time of year when the closeness of friendship shines in our students' faces. 2023 will bring new learning experiences, new challenges, and new fun. We look forward to what lies ahead for us at Dayville School in 2023.

A special thank you to *Tina Rhoda, Casey Fretwell, Gina Fisher, Babette Larson, and Mani Martin* for their ongoing service and dedication to every aspect of our school. They work as a strong and committed team in guiding us to provide a lasting, meaningful education through the cooperation of school, parents, and community. While we appreciate everything they do every day, we especially want to thank them during the School Board Appreciation Month. They are the best!!!

I wish you all Peace, Joy, Hope, Health, and Happiness throughout 2023.

*Dr. Davida Irving*
