SCHOOL VISION SCREENING

Wednesday, September 8th

The Oregon Lions Foundation will be providing vision screenings to all Dayville students (K-12) at *no cost* to parents/families.

This is a great opportunity to ensure that your child's vision is the very best it can be!

If your student currently has/wears eyeglasses and/or hearing aids, please send them to school on the day of the screening.

The Lions Sight & Hearing Foundation may also offer financial assistance to obtain necessary follow up exams or correction to qualifying students.

We will also be collecting old eyeglass frames & lenses in the school office (all month) for donation to the Lions recycling program.

The Oregon Lions Sight and Hearing Foundation is FERPA (Family Educational Rights & Privacy Act) and HIPPA compliant.

If you DO NOT want your student to participate in the vision screening, please sign and return this slip to the school office by 8 a.m. on September 8th, 2021
