JUST A QUICK REMINDER TO PLEASE KEEP YOUR STUDENT AT HOME IF THEY ARE NOT FEELING WELL.
 Dayville School staff are doing all they can to minimize the spread of the current viruses going around - including regular cleaning and disinfecting of surfaces.

EAT HEALTHY - STAY HYDRATED - SLEEP WELL
EXERCISE/PLAY OUTSIDE (*when you aren't sick*)

- **Stay home when you are sick** (and for 24 hours after having a fever or stomach flu)
- **Avoid close contact with people who are sick.**
- **Cover your nose and mouth** with a tissue when you cough or sneeze. Throw the tissue away after use and wash your hands. If a tissue is not available, cover your mouth and nose with your sleeve, not your hand.
- **Wash your hands often with soap and water**, especially after you cough or sneeze. If soap and water are not available, use an alcohol-based hand rub.
- **Avoid touching your eyes, nose, or mouth.** Germs spread this way.
- **Clean and disinfect surfaces or objects.** Clean and disinfect frequently touched surfaces at home, work or school, especially when someone is ill.

If you have any questions about your child’s illness or symptoms, please don’t hesitate to contact your physician or the Grant County Health Department.
