SCHOOL
DISTRICT 16J**

Dear Parents,

October 30, 2024

I am happy to inform you that we will be starting our After School Program next week!
This will be for students aged PreSchool - 12th grade.
I will provide a biweekly schedule.
The activities will follow a predictable schedule, however when HS basketball starts, we will accommodate cheering for those games.
We also will not have After School Programs on MS Basketball home game days.

For the upcoming schedule, we will have legos and cheerleading.
Snack will be provided.
Reminder that there will NOT be transportation provided for the after school program.
Please make sure to pick up your child at 4:30.
Weather permitting, students will be on the playground at time of pickup.
Should the weather be poor, students will be under the cover outside the elementary school building.

Please contact me with any questions you may have!
Please know that this is a pilot program - I appreciate your patience while we find a rhythm and best practices for our students.
Again, thank you for your participation!
