SCHOOL  
DISTRICT 16J**

September 28, 2023

**Superintendent's Message**

It is hard to believe that September is coming to an end. When our students return to school next Monday, we hit the ground running with so many exciting activities scheduled for October. Both the junior and high school athletes continue to practice volleyball and football after school. Our games in South Wasco, Crane, Spray, Prairie City, Mitchell, and Dayville continue to demonstrate our strong team spirit and good sportsmanship. We thank our coaches for their outstanding support.

At Dayville School we continue to support the development of academic, social, emotional, and positive behavioral skills in our students. During the month of September, we concentrated on "Hard Work" and "Enthusiasm". Throughout the month of October, we'll focus on "Friendship" and "Loyalty". Please join us by talking about the significance of these character traits at home with your children. It is important that they understand that these behaviors are not just demonstrated within the confines of Dayville School but should be part of everyone's daily life no matter where they may be.

**To make a friend we must be a friend. Friends are our family, teammates, classmates, and workmates. They help us succeed and achieve our goals. Friendship is mutual. It is not a one-way street. Good friends do good things for each other.**

**Loyalty is being reliable and dependable. We keep our word by doing what we say we'll do. When we are loyal, others will be loyal to us! It means giving respect to those we work with. Respect helps produce loyalty.**

Dayville School provides an environment that is conducive to learning. We set high expectations and goals and accept parents as full partners in the educational process. Thank you for helping each of our students grow to his/her fullest potential.

Respectfully,

*Dr. Davida Irving*
