Dear Students, Parents, and Guardians,

School has started again!!! We are excited to be back for another year working with the students. We are available for students and families who want to talk through daily challenges, emotional issues, or just talk about life in general. Besides being a listening ear we strive to offer students tools that they can use to navigate life beyond school. Information students share with the Counselor is confidential and guarded as much as permitted by law, ethics, and school rules.

If this is something you are interested in for your student please let us know and submit this form to the office. Feel free to contact us with any questions or concerns.

Middle and High School students will have a counselor available Mondays and Tuesdays, and Elementary students will have a counselor available Wednesdays.

Take care,
